

Stump Planer

The Stump Planer removes stumps efficiently and affordably. Grind stumps down without the mess, noise and danger that a conventional stump grinder produces..

OUR DURABLE SPIRAL CENTER POINT IS ENGINEERED TO PULL THE STUMP AUGER INTO THE STUMP SO THAT LITTLE DOWN PRESSURE IS NEEDED

HAVING THIS FLIGHTING ON THE STUMP PLANER HELPS IN REMOVING THE SHAVINGS FROM THE CUTTING EDGES

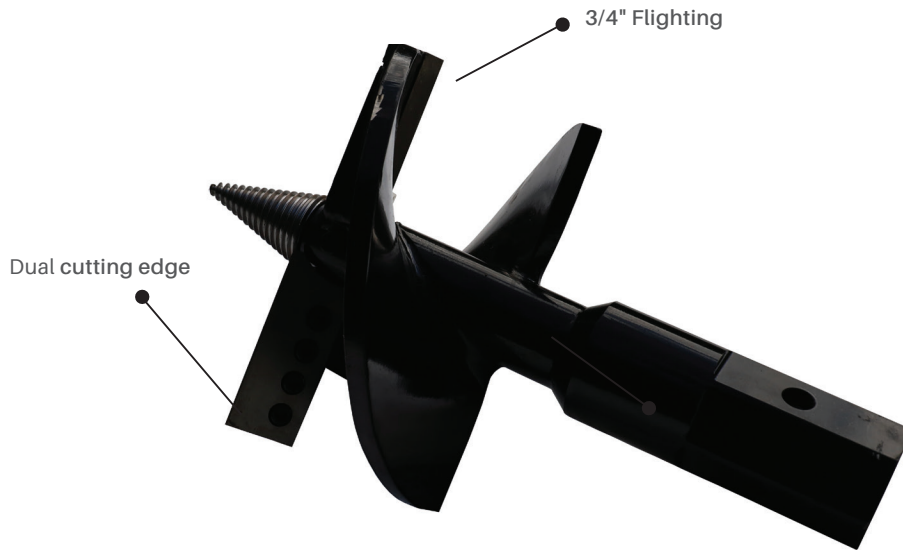

3/4" FLIGHTING PROVIDES SUPERIOR SUPPORT TO THE DUAL CUTTING EDGES

SKID STEER

Round or hex option

FEATURES & BENEFITS

- 3/4" Flighting
- Dual cutting edges (sharpen-able, replaceable), engineered alloy
- Spiral center point (replaceable), engineered to pull stump auger into the stump
- 12" Bits are 48 lbs.
- 16" Bits are 70 lbs.
- 12" stump planer bit requires an earth auger drive unit that can produce at least 3,000 foot-pounds of torque
- 16" requires an earth auger drive unit that can produce at least 5,500 foot-pounds of torque.
- Our stump planer augers are also not compatible with 3 Point PTO Augers for tractors.
