

## Industrial Snow Pusher

This Snow Pusher is designed to move a large volume of snow very quickly – up to five times faster than a conventional snow blade. The perfect way to remove snow from parking lots, driveways, and from up against buildings utilizing the optional “Pull Back” system. The universal quick attach system fits most skid steers and compact tractors.

CAN BE USED TO BACK DRAG SNOW AWAY FROM GARAGE DOORS OR WALLS

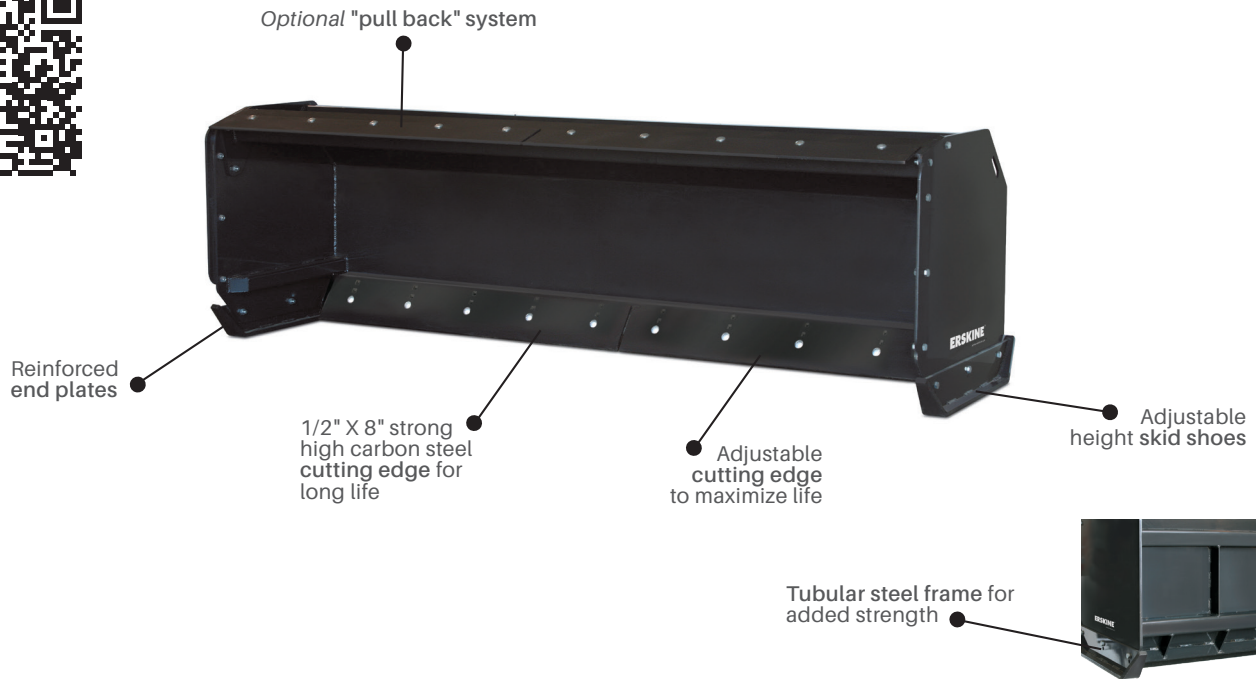

MASSIVE 37X37" BOX FOR GREATER CARRYING CAPACITY

OPERATES BOTH FORWARD AND BACKWARD
